CY-298B Tempt-control Oil Press

Application:

CY-298B oil press can press different materials such as sesame, peanut, rapeseeds, sunflower seeds, soybean, tea seeds etc with high oil output rate and low energy consumption. This machine is our latest oil press with new technology and structure.

Feature:

1. CY-298B oil press choose centrifugal filter, the filtering can control with button, and the phospholipids, waxiness can be threshed once.
2. The product oil is very clear, no foam when cooking with pure flavor, its more health for cooking, and also with high automatic.
3. This machine is with compact structure, oil tray and oil cover are all stainless steel for easy cleaning.
4. This machine can be applied to use in small-medium factory, also can be widely used in supermarket for fresh pressing and fresh oil selling. The automatic working, low noise and environment protection all can meet requirement.

Main data:

Model: CY-298B temperature control oil press

Processing capacity: 250-300kg/h

Power: 11kw(380v/50hz/3p)

Add: No 59 Zhenghua Road, Zhengzhou City, Henan, China
